

A Message from Mayor Lund

Greetings Hamburg,

As we transition from Spring to Summer, it is time to take inventory of one's property. Bi-Centennial Park will start to get busy with youth sports and graduation parties. Please take time to mow the lawn, clean up the yard, and keep up the curb appeal. The Council and Staff do not take any pleasure in sending nuisance letters out.

The City Council met this past Tuesday. City Staff updated the Council on the Brad Street improvement project. If Mother Nature cooperates the project should last two weeks. No start date has been established. Once the date is set, residence on Brad Street will be notified. The Council discussed setting up a City Facebook page.

The decision was to move forward with a City Facebook page. The purpose of the page will be to inform citizens of various activities going on in town. A couple of examples of what may be posted are snow plowing updates or alerting citizens when flushing of the fire hydrants is taking place. Comments will not be monitored, nor will the City respond to comments made. Instead, if one wishes to have a question answered one can call the City Offices, attend a City Council meeting, or attend Mayors In Time.

The Park bathroom project is nearly completed. Once completed, both men and women's bathrooms will be handicap accessible. Both bathrooms should be open to the public this weekend. City Staff has been attempting to reset the electronic sign at the Park too. Another attempt will be made to see if we can get both sides of the sign to work. Unfortunately, we have been told that parts are no longer available for our sign. Other actions taken at the Council meeting was the approval of a city ad in the NYA Area Guide.

The Hamburg Hawks season has started. They are 2-0 in league play and 2-1 overall. The Hawks take on the Indians on the 16th and the Lakers on 19th. The game on the 17th is at 7:30 pm while the game on 19th is at 2 pm. 52 Club tickets are still available too. Come on out to Hawks field and root on the home team.

Mayors In Time will be June 3rd from 5 to 7 pm at City Hall.

Be Safe Be Vigilant Be Healthy!

Humbly,

Mayor Chris Lund
