

A Message from Mayor Lund

Residents of Hamburg

The Carver County Fair is done, the Minnesota State Fair is here. Kids will be back in school soon and before we know the white flakes will be falling from the skies. Thanks to all those that helped make Primary Day a success. Thank you, Councilman Tracy and Councilwoman Weber, for putting your hat back in the ring.

Because the Primaries, the City Council did not meet until this past Tuesday. The City Council and Staff heard from Christophe Morschen on why there was a delay in filing the deeds with the county for the property in the middle of town. The reasons given stemmed from the legal description not noting all the exceptions. When asked, Mr. Morschen speculated that the surveyor instructions might not have been complete. The Council and Staff did ask Mr. Morschen to provide us with the instructions which will hopefully clarify things.

City Staff updated Council that the juvenile that damaged city property in July will soon appear before court. The city did instruct the county attorney to seek restitution for the damage done. The properties with pending nuisance violations did make progress on their properties and Council did not decide to have them moved on to the county. The old generator sealed bids were reviewed at the meeting, we had only one bid and it was awarded at the meeting.

One may have seen activity at Hawk's field recently. With Green Isle being one of the sites for the Minnesota State Amateur Baseball tournament, the Hamburg baseball club offered up Hawks Field to be a place for teams to warm up before their games. The tournament runs through Labor Day weekend.

As the month comes to an end and September begins, be aware of the kids as they dart to and from the school bus. We try to teach them to look both ways before crossing the street; yet we know that kids do not always do that. Please take your time driving so the kids can get to and back from school safely.

Budget season is nearly here. The City Council and Staff will be conjuring up a wish and want list to be considered for the 2025 Budget. We are open to ideas as well from all of you.

Due to Mayor's In Time falling on a Labor Day in September, I will not be having Mayor's In Time in September. That said, I can always be reached by email or phone. Since I can work from home, I can be often found in my backyard working. If you see me outside, stop on by.

Be Safe Be Heathy Be Vigilant!

Humbly
Mayor Chris Lund

Food – Music – Crazy Hair – Face Painting – Farm Animals – Mini Rods – Bounce House & much more for all ages!

NATIONAL NIGHT OUT

A Great Big “Thank You” to everyone that attended National Night Out and to the Organizations & Businesses that contributed!

Please be vigilant and proactive. Too often, there is a delay in reporting incidents within the community to the appropriate authorities. We urge you not to hesitate, but rather to promptly contact the Carver County Sheriff’s Office to report any suspicious activities that may be deemed irregular.

For Emergencies Call: 911

Non-Emergency Call: 952-361-1231
