A message from Mayor Lund

Citizens of Hamburg

We are just past the halfway point of Governor Walz’s “shelter in place” Executive Order 20-20. My hope is that everyone is staying safe, healthy and practicing the guidelines suggested to stave off COVID-19.

In case one forgot, do the following to help mitigate COVID-19 effects:
* Social Distancing – stay 6 feet apart from each other.
* Wash your hands – hot water, soap and for at least 20 seconds.
* Avoid touching your eyes, nose and mouth with unwashed hands.
* Stay home if you are sick
* Cough and/or sneeze into a tissue or elbow.
* Travel for only essential reasons

President Trump this past week did extend the original 15-day challenge to include the entire month of April. As of yet, Governor Walz hasn’t extended the April 10th end date for “sheltering in place”. Governor Walz will be doing the State of the State address this Sunday at 7 pm.

Over the past weeks, City staff and Council have been busy trying to keep up-to-date on COVID-19. A few of the changes we have made include: closing City Hall to public foot traffic, closing our playgrounds, and suspending rentals until after May 1st. Myself along with City Clerk Gruenhagen participate in a daily conference call with Carver County Emergency Operations Center, so that we stay updated on important information impacting residents of Carver County.

Social media can be a great tool and at the same time be a tool of misinformation and fear mongering. Below are creditable locations to get accurate information to most of the questions one may have about COVID-19:
https://www.coronavirus.gov/
https://arcg.is/0LXDOn – Free Food access points in Carver County
https://mn.gov/governor/covid-19/faq/

The Hamburg Lions have converted their Little Library into a Little Food Shelf. If you need something, please venture there. The Little Food Shelf (Library) is located at the Security Bank drive thru entrance. Also, if you need help getting necessities, send a direct message to the Hamburg Lions via Facebook. We are all experiencing various levels of impact to our incomes. That said, try your best to support our local businesses. Parkside continues to offer take-out food and off-sale liquor purchases from Thursday to Saturday between the hours of 4 - 8 pm. Updates on specials will be posted on their Facebook page. Firemans Barbeque is operating as well. To find out when and where check https://firemansbbq.com/.

Hamburg Fire Relief Association Pork Chop dinner is still a go but will be take-out only. Everyone is invited to get their Windsor Chops at the Hamburg Fire Hall on Sunday the 19th of April from 10 am - 5 pm.

Spring is on the way and the weather is getting nicer. Get out for a walk. Keep your social distancing and if you are not feeling well, please stay inside to get better. Be safe. Be healthy. Be vigilant.
Notice to residents with sump pumps
Our sewer ponds are running too high
Please run your sump pumps outside to prevent issues.
