

# A message from Mayor Lund

Citizens of Hamburg,

Just a few days ago, Governor Walz extended his Executive Order 20-20 til May 4<sup>th</sup>. The stay at home recommendation will remain in place as well. If you do need to leave your house for a walk, doctor appointment, pharmacy and/or supplies the CDC is recommending that you wear a mask.

City Hall will remain closed to public foot traffic while the Executive Order is in place. That said, City Hall is still being staffed as normal to keep the city moving forward. If you have a question or require a permit, please call or email City Hall.

The April 14<sup>th</sup> City Council meeting will still take place but will be done via Zoom.

Members of the public can listen to and/or participate in the council meeting live online at <https://us02web.zoom.us/j/6817521480>, the Zoom App on your cellphone via the google play store, or by calling 1-312-626-6799. Use Meeting ID: 681 752 1480 when logging in or calling in. Use a pound sign (#) as your participant ID.

Today, April 11<sup>th</sup>, the Hamburg Fire Department will doing an Easter Bunny Parade at 1 pm. We ask that everyone venture out of the house and keep in mind social distancing to wave to the Easter Bunny. Yes, I understand that the mail may not deliver this newsletter in time or you may have chosen to read it later in the day.

Parkside is still taking takeout orders Thursday through Saturday. Fireman's Barbeque is also still serving food and is doing online orders as well. To learn more about both businesses follow them on Facebook.

Be safe. Be diligent. Be healthy.

Humbly,  
Mayor Lund

**Sending out a  
HUGE THANK YOU**  
for those of you who moved your sump  
pumps outside. The pond levels have  
come down thanks to your cooperation.

## Public Nuisance Violations

Now that nicer weather is upon us, the city staff & council have begun the process of citing residents for Nuisance Violations.

Several violation letters were mailed out this past week. We will continue to monitor and work with residents to fix violations. We have a beautiful town because of the great care it receives from the Hamburg Public Works Department and the majority of those who take pride in their small corner of the world.

Many of the violations we see are inoperable vehicles, expired tabs, too many vehicles per household, accumulation of "stuff" being stored outside, and houses, buildings, and fences that are in need of repair.

Hamburg City Ordinances are available to view on the city website. We encourage everyone to browse the ordinances and take notice of areas that you may be able to improve on your property.

The Compost  
Dumpster is now  
available for your  
small yard waste.  
Located next to  
Security Bank & Trust

Also, if you have large  
brush to get rid of,  
call the city office for  
a key to the ponds.

## Recreational Fires

As you enjoy time around the campfire please be mindful of the following city ordinance overview:  
the fire space is to be no larger than 3 feet in diameter, contained by a non-flammable material like brick, or rock. Flames no higher than 3 feet, using dry, clean wood; producing little detectable smoke, odor, or soot beyond the property line respecting weather conditions, neighbors, burning bans, and air quality so that nuisance, health, or safety hazards will not be created....
