Greetings Hamburg

Hope everyone had a great New Year and is doing well as we enter the middle of January. The City Council had its first meeting of the year this past Tuesday. A few resolutions were passed to designate the City of Hamburg's bank, newspaper, engineer, emergency manager, etc. for 2022, and Wm. Mueller & Sons bid was approved for the riprap project at the City Sewer Ponds.

Thank you to those who answered our call and were willing to fill in for the remaining year of Councilman Feltmann's term. The Council chose to appoint Jason Buckentin, who most recently served on Council from 2017 – 2020. Welcome back Councilman Buckentin!

City Council directed City Staff to extend the application deadline for the Public Works Maintenance position through February 7th, 2022, at which time, the Personal Committee will review all applicants and begin the interviewing process. If interested contact the City Office. This week I will be a guest on Norwood Young America Talk (KGLB 1310). I will be joining Jeremy and Elroy in a discussion about 2021 and offering a glimpse into 2022. The original broadcast airs on Friday with a replay on Saturday.

The Hamburg Lions will be having their Pancake Breakfast this Sunday, January 17th, at the Community Hall. A "Freewill" donation will get you pancakes, sausage, French toast, and a beverage. Rumor has it that the Hamburg Hunt & Fish Club will be holding a Fish Fry on the 5th of February. Come on out to both events as these clubs do great work in our community.

Due to Minnesota Caucuses taking place on February 1st, "Mayor's In" time will be moved to Thursday February 3rd from 6:00 to 8:00 pm. Consider grabbing a like-minded neighbor and participate in the Caucuses. The Caucus process gives citizens a great opportunity to have their voice heard in government. Hamburg residents will Caucus at Central High School.

Be safe. Be healthy. Be vigilant.

Humbly

Mayor Chris Lund
