

The City of Hamburg has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/> you may also contact us at 952-290-3541. To complete the service line inventory our system reviewed pictures of actual service line entry into the homes and buildings, and/or staff visually inspected the service line. As of 9/25/2024, our inventory contains 0 lead, 6 galvanized requiring replacement, 172 unknown material, and 41 non lead service lines.
