§ 91.29 INSTALLATION REQUIREMENTS.

The excavation, backfilling, patching and restoration, and all other work performed in the right-of-way shall be done in conformance with Minn. (2) The Clerk-Treasurer, Utilities Superintendent or other person designated by the Council may issue an order to the permittee for any work which does not conform to the terms of the permit or other applicable standards, conditions, or codes. Within ten days after issuance of the order, the permittee shall present proof to the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council that the violation has been corrected. If proof has not been presented within the required time, the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council may revoke the permit pursuant to § 91.33.

The owner of the facilities may proceed to take whatever actions are necessary to respond to the emergency. Within two business days after the occurrence of the emergency, the owner shall apply for the necessary permits, pay the fees associated therewith and fulfill the rest of the requirements necessary to bring itself into compliance with this chapter for the actions it took in response to the emergency.

(2) If the city becomes aware of an emergency regarding facilities, the city will attempt to contact the local representative of each facility owner affected, or potentially affected, by the emergency. In any event, the city may take whatever action it deems necessary to respond to the emergency, the cost of which shall be borne by the person whose facilities occasioned the emergency.

(B) *Non-emergency situations.* Except in an emergency, any person who, without first having obtained the necessary permit, obstructs or excavates a right-of-way must subsequently obtain a permit, and as a penalty pay double the normal fee for the permit, pay double all the other fees required by this code, deposit with the city the fees necessary to correct any damage to the right-of-way and comply with all of the requirements of this chapter.

§ 91.32 SUPPLEMENTARY NOTIFICATION.

If the obstruction or excavation of the right-of-way begins later or ends sooner than the date given on the permit, the permittee shall notify the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council of the accurate information as soon as this information is known.

§ 91.33 REVOCATION OF PERMITS.

(A) *Substantial breach.* The city reserves its right, as provided herein, to revoke any right-of-way permit, without a fee refund if there is a substantial breach of the terms and conditions of any statute, ordinance, rule or regulation, or any material condition of the permit. (B) *Written notice of breach.* If the city determines that the permittee has committed a substantial breach of a term or condition of any statute, ordinance, rule, regulation or any condition of the permit the city shall make a written demand upon the permittee to remedy that violation. The demand shall state that continued violations may be cause for revocation of the permit. A substantial breach, as stated above, will allow the city, at its discretion, to place additional or revised conditions on the permit to mitigate and remedy the breach.

(C) *Response to notice of breach.* Within 24 hours of receiving notification of the breach, the permittee shall provide the city with a plan, acceptable to the city, that will cure the breach. The permittee's failure to so contact the city, or the permittee's failure to submit an acceptable plan, or the permittee's failure to reasonably implement the approved plan, shall be cause for immediate revocation of the permit.

(D) *Reimbursement of city costs.* If a permit is revoked, the permittee shall also reimburse the city for the city's reasonable costs, including restoration costs and the costs of collection and reasonable attorney's fees incurred in connection with the revocation.

§ 91.34 MAPPING DATA; INFORMATION REQUIRED.

Streets and Sidewalks

(C) *Limitation of space.* To protect the health, safety, and welfare or when necessary to protect the right-of-way and its current use, the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council shall have the power to prohibit or limit the placement of new or additional facilities within the right-of-way. In making those decisions, the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council shall strive to the extent possible to accommodate all existing and potential users of the right-of-way, but shall be guided primarily by considerations of the public interest, the public's needs for the particular utility service, the condition of the right-of-way, the time of year with respect to essential utilities, the protection of existing facilities in the right-of-way, and future city plans for public improvements and development projects which have been determined to be in the public interest.

§ 91.36 DAMAGE TO OTHER FACILITIES.

When the city does work in the right-of-way and finds it necessary to maintain, support, or move facilities to protect it, the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council shall notify the local representative as early as is reasonably possible and placed as required. The costs associated therewith will be billed to that registrant and must be paid within 30 days from the date of billing. Each facility owner shall be responsible for the cost of repairing any facilities in the right-of-way which it or its facilities damages. If the city vacates a right-of-way which contains the facilities of a registrant, the registrant's rights in the vacated right-of-way are governed by Minn. Rules part 7819.3200, as it may be amended from time to time.

§ 91.38 INDEMNIFICATION AND LIABILITY.

By applying for and accepting a permit under this chapter, a permittee agrees to defend and indemnify the city in accordance with the provisions of Minn. Rules 7819.1250, as it may be amended from time to time.

§ 91.39 ABANDONED FACILITIES; REMOVAL OF ABANDONED FACILITIES.

Any person who has abandoned facilities in any right-of-way shall remove them from that right-of-way if required in conjunction with other right-of-way repair, excavation, or construction, unless this requirement is waived by the Clerk-Treasurer, Utilities Superintendent or other person designated by the Council.

Hamburg - General Regulations

If permission is denied, the city may declare the existence of the abandoned or junk vehicle to be a nuisance and proceed to abate the nuisance as provided for in §§ 92.01 through 92.07. Once the abatement procedure has been completed, the city may apply for an order from a court of competent jurisdiction authorizing the removal and impoundment of the vehicle and, after the order has been granted, the city may then remove and impound the vehicle.

(B) *Notice by mail or publication.* The notice shall be sent by mail to the registered owner, if any, of an impounded vehicle and to all readily identifiable lienholders of record. Published notices may be grouped together for convenience and economy.

(C) *Unauthorized vehicles; notice.* If an unauthorized vehicle remains unclaimed after 30 days from the date the notice was sent under division (B) of this section, a second notice shall be sent by certified mail, return receipt requested, to the registered owner, if any, of the unauthorized vehicle and to all readily identifiable lienholders of record.

- (2) 55 days storage for a vehicle described in § 92.05(B).

(D) *Sale proceeds; nonpublic impound lots.* The operator of a nonpublic impound lot may retain any proceeds derived from a sale conducted under the authority of division (A) of this section. The operator may retain all proceeds from sale of any personal belongings and contents in the vehicle that were not claimed by the owner or the owner's agent before the sale, except that any suspected contraband or other items that likely would be subject to forfeiture in a criminal trial must be turned over to the appropriate law enforcement agency.

A contract that does so conform may be approved by the MPCA and entered into by the city. Where a contract has been approved, the MPCA may reimburse the city for the costs incurred under the contract that have not been reimbursed under § 92.09. Except as otherwise provided in § 92.10, the MPCA shall not approve any contract that has been entered into without prior notice to and request for bids from all persons duly licensed by the MPCA to be a party to a disposal contract pursuant to M.S. § 116.07, as it may be amended from time to time; does not provide for a full performance bond; or does not provide for total collection and transportation of abandoned motor vehicles, except that the MPCA may approve a contract covering solely collection or transportation of abandoned motor vehicles where the MPCA determines total collection and transportation to be impracticable and where all other requirements herein have been met and the unit of government, after proper notice and request for bids, has not received any bid for total collection and transportation of abandoned motor vehicles.

(B) *The city may perform work.* If the city utilizes its own equipment and personnel pursuant to its authority under § 92.10, and the use of the equipment and personnel conforms to the MPCA's plan for solid waste management and is in compliance with MPCA rules, the city may be reimbursed by the MPCA for reasonable costs incurred which are not reimbursed under § 92.09.

(C) *The city required to contract work.* The MPCA may demand that the city contract for the disposal of abandoned motor vehicles and other scrap metal pursuant to the MPCA's plan for solid waste disposal. If the city fails to contract within 180 days of the demand, the MPCA, through the Department of Administration and on behalf of the city, may contract with any person duly licensed by the MPCA for the disposal.

(A) *Definition.* For the purpose of this section, the following definition shall apply unless the context clearly indicates or requires a different meaning.

CURRENT SERVICE. Shall mean one or more of the following: snow, ice, or rubbish removal from sidewalks; weed elimination from street grass plots adjacent to sidewalks or from private property; removal or elimination of public health or safety hazards from private property, excluding any hazardous building included in M.S. §§ 463.15 through 463.26 as they may be amended from time to time; installation or repair of water service lines; street sprinkling, street flushing, light street oiling, or other dust treatment of streets; repair of sidewalks and alleys; trimming and care of trees and removal of unsound and insect-infected trees from the public streets or private property; and the operation of a street lighting system.

(B) *Snow, ice, dirt, and rubbish.*

(1) *Duty of owners and occupants.* The owner and the occupant of any property adjacent to a public sidewalk shall use diligence to keep the walk safe for pedestrians. No owner or occupant shall allow snow, ice, dirt, or rubbish to remain on the walk longer than 24 hours after its deposit thereon. Failure to comply with this section shall constitute a violation.

(2) *Removal by city.* The City Clerk-Treasurer or other person designated by the City Council may cause removal from all public sidewalks all snow, ice, dirt, and rubbish as soon as possible beginning 24 hours after any matter has been deposited thereon or after the snow has ceased to fall. The City Clerk-Treasurer or other designated person shall keep a record showing the cost of removal adjacent to each separate lot and parcel.

(C) *Public health and safety hazards.* When the city removes or eliminates public health or safety hazards from private property under the following provisions of this chapter, the administrative officer responsible for doing the work shall keep a record of the cost of the removal or elimination against each parcel of property affected and annually deliver that information to the City Clerk-Treasurer.

(D) *Installation and repair of water service lines.* Whenever the city installs or repairs water service lines serving private property under Chapter 51 of this code, the City Clerk-Treasurer shall keep a record of the total cost of the installation or repair against the property.

Health and Sanitation; Nuisances

(E) *Repair of sidewalks and alleys.*

(1) *Duty of owner.* The owner of any property within the city abutting a public sidewalk or alley shall keep the sidewalk or alley in repair and safe for pedestrians. Repairs shall be made in accordance with the standard specifications approved by the City Council and on file in the office of the City Clerk-Treasurer.

(2) *Inspections; notice.* The City Council or its designee shall make inspections as are necessary to determine that public sidewalks and alleys within the city are kept in repair and safe for pedestrians or vehicles. If it is found that any sidewalk or alley abutting on private property is unsafe and in need of repairs, the City Council shall cause a notice to be served, by registered or certified mail or by personal service, upon the record owner of the property, ordering the owner to have the sidewalk or alley repaired and made safe within 30 days and stating that if the owner fails to do so, the city will do so and that the expense thereof must be paid by the owner, and if unpaid it will be made a special assessment against the property concerned.

(3) *Repair by city.* If the sidewalk or alley is not repaired within 30 days after receipt of the notice, the City Clerk-Treasurer shall report the facts to the City Council and the City Council shall by resolution order the work done by contract in accordance with law. The City Clerk-Treasurer shall keep a record of the total cost of the repair attributable to each lot or parcel of property.

(F) *Personal liability.* The owner of property on which or adjacent to which a current service has been performed shall be personally liable for the cost of the service. As soon as the service has been completed and the cost determined, the City Clerk-Treasurer, or other designated official, shall prepare a bill and mail it to the owner and thereupon the amount shall be immediately due and payable at the office of the City Clerk-Treasurer.

(G) *Damage to public property.* Any person driving any vehicle, equipment, object, or contrivance upon any street, road, highway, or structure shall be liable for all damages which the surface or structure thereof may sustain as a result of any illegal operation, driving, or moving of the vehicle, equipment, object, or contrivance; or as a result of operating, driving, or moving any vehicle, equipment, object, or contrivance weighing in excess of the maximum weight permitted by statute or this code. When the driver is not the owner of the vehicle, equipment, object, or contrivance, but is operating, driving, or moving it with the express or implied permission of the owner, then the owner and the driver shall be jointly and severally liable for any such damage. Any person who willfully acts or fails to exercise due care and by that act damages any public property shall be liable for the amount thereof, which amount shall be collectable by action or as a lien under M.S. § 514.67, as it may be amended from time to time.

(H) *Assessment.* On or before September 1 of each year, the City Clerk-Treasurer shall list the total unpaid charges for each type of current service and charges under this section against each separate lot or parcel to which they are attributable under this section. The City Council may then spread the charges against property benefitted as a special assessment under the authority of M.S. § 429.101, as it may be amended from time to time, and other pertinent statutes, for certification to the County Auditor and collection along with current taxes the following year or in annual installments, not exceeding ten, as the City Council may determine in each case.

Animals

§ 95.02 DOGS AND CATS.

(A) *Running at large prohibited.* It shall be unlawful for the dog or cat of any person who owns, harbors, or keeps a dog or cat, to run at large. A person, who owns, harbors, or keeps a dog or cat which runs at large shall be guilty of a misdemeanor. Dogs or cats on a leash and accompanied by a responsible person or accompanied by and under the control and direction of a responsible person, so as to be effectively restrained by command as by leash, shall be permitted in streets or on public land unless the city has posted an area with signs reading “Dogs or Cats Prohibited.”

(B) *License required.*

(1) All domestic animals over the age of six months kept, harbored, or maintained by their owners in the city, shall be licensed and registered with the city. Dog licenses shall be issued by the City Clerk-Treasurer upon payment of the license fee as established by the City Fee Schedule, as that ordinance may be amended from time to time. The owner shall state, at the time application is made for the license and upon forms provided, his or her name and address and the name, breed, color, and sex of each dog owned or kept by him or her. No license shall be granted for a dog that has not been vaccinated against distemper and rabies, as evidenced by a certificate by a veterinarian qualified to practice in the state in which the dog is vaccinated.

(2) It shall be the duty of each owner of a dog subject to this section to pay to the City Clerk-Treasurer the license fee established in the City Fee Schedule, as it may be amended from time to time.

(3) Upon payment of the license fee as established by the City Fee Schedule, as it may be amended from time to time, the Clerk-Treasurer shall issue to the owner a license certificate and metallic tag for each dog licensed. The tag shall have stamped on it the year for which it is issued and the number corresponding with the number on the certificate. Every owner shall be required to provide each dog with a collar to which the license tag must be affixed, and shall see that the collar and tag are constantly worn. In case a dog tag is lost or destroyed, a duplicate shall be issued by the City Clerk-Treasurer. A charge shall be made for each duplicate tag in an amount established in the City Fee Schedule. Dog tags shall not be transferable from one dog to another and no refunds shall be made on any dog license fee or tag because of death of a dog or the owner's leaving the city before the expiration of the license period.

(4) The licensing provisions of this division (B) shall not apply to dogs whose owners are non-residents temporarily within the city, nor to dogs brought into the city for the purpose of participating in any dog show, nor shall this provision apply to “seeing eye” dogs properly trained to assist blind persons for the purpose of aiding them in going from place to place.

(5) The funds received by the City Clerk-Treasurer from all dog licenses and metallic tags fees as established by the City Fee Schedule, as it may be amended from time to time, shall first be used to defray any costs incidental to the enforcement of this chapter; including, but not restricted to, the costs of licenses, metallic tags, and impounding and maintenance of the dogs.

(C) *Cats.* Cats shall be included as controlled by this division insofar as running-at-large, pickup, impounding, boarding, licensing and proof of anti-rabies vaccine is concerned. All other provisions of this section shall also apply to cats unless otherwise provided.

Hamburg - General Regulations

(D) *Vaccination.*

(1) All dogs and cats kept harbored, maintained, or transported within the city shall be vaccinated at least once every three years by a licensed veterinarian for:

- (a) Rabies - with a live modified vaccine; and
- (b) Distemper.

(2) A certificate of vaccination must be kept on which is stated the date of vaccination, owner's name and address, the animal's name (if applicable), sex, description and weight, the type of vaccine, and the veterinarian's signature. Upon demand made by the City Clerk-Treasurer, the Animal Control Officer or a police officer, the owner shall present for examination the required certificate(s) of vaccination for the animal(s). In cases where certificates are not presented, the owner or keeper of the animal(s) shall have seven days in which to present the certificate(s) to the City Clerk-Treasurer or officer. Failure to do so shall be deemed a violation of this section.

Penalty, see § 95.99

§ 95.03 NON-DOMESTIC ANIMALS.

It shall be illegal for any person to own, possess, harbor, or offer for sale, any non-domestic animal within the city. Any owner of a non-domestic animal at the time of adoption of this code shall have 30 days in which to remove the animal from the city after which time the city may impound the animal as provided for in this section. An exception shall be made to this prohibition for animals specifically trained for and actually providing assistance to the handicapped or disabled, and for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

Penalty, see § 95.99

§ 95.04 FARM ANIMALS.

Farm animals shall only be kept in an agricultural district of the city, or on a residential lot of at least ten acres in size provided that no animal shelter shall be within 300 feet of an adjoining piece of property. An exception shall be made to this section for those animals brought into the city as part of an operating zoo, veterinarian clinic, scientific research laboratory, or a licensed show or exhibition.

§ 95.05 IMPOUNDING.

(A) *Running at large.* Any unlicensed animal running at large is hereby declared a public nuisance. Any Animal Control Officer or police officer may impound any dog or other animal found unlicensed or any animal found running at large and shall give notice of the impounding to the owner of the dog or other animal, if known. The Animal Control Officer or police officer shall not enter the property of the owner of an animal found running at large or the owner of an unlicensed animal unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal. In case

Animals

the owner is unknown, the officer shall post notice at the city office that if the dog or other animal is not claimed within the time specified in division (C) of this section, it will be sold or otherwise disposed of. Except as otherwise provided in this section, it shall be unlawful to kill, destroy, or otherwise cause injury to any animal, including dogs and cats running at large.

(B) *Biting animals.* Any animal that has not been inoculated by a live modified rabies vaccine and which has bitten any person, wherein the skin has been punctured or the services of a doctor are required, shall be confined in the city pound for a period of not less than ten days, at the expense of the owner. The animal may be released at the end of the time if healthy and free from symptoms of rabies, and by the payment of all costs by the owner. However, if the owner of the animal shall elect immediately upon receipt of notice of need for the confinement by the officer to voluntarily and immediately confine the animal for the required period of time in a veterinary hospital of the owner's choosing, not outside of the county in which this city is located, and provide immediate proof of confinement in the manner as may be required, the owner may do so. If, however, the animal has been inoculated with a live modified rabies vaccine and the owner has proof of the vaccination by a certificate from a licensed veterinarian, the owner may confine the dog or other animal to the owner's property.

(C) *Reclaiming.* All animals conveyed to the pound shall be kept, with humane treatment and sufficient food and water for their comfort, at least five regular business days, unless the animal is a dangerous animal as defined under § 95.11 in which case it shall be kept for seven regular business days or the times specified in § 95.11, and except if the animal is a cruelly-treated animal in which case it shall be kept for ten regular business days, unless sooner reclaimed by their owners or keepers as provided by this section. In case the owner or keeper shall desire to reclaim the animal from the pound, the following shall be required, unless otherwise provided for in this code or established from time to time by resolution of the City Council:

(1) Payment of the release fee and receipt of a release permit as established by the City Fee Schedule, as it may be amended from time to time.

(2) Payment of maintenance costs, as provided by the pound, per day or any part of day while animal is in the pound; and

(3) If a dog is unlicensed, payment of a regular license fee as established by the City Fee Schedule, as it may be amended from time to time, and valid certificate of vaccination for rabies and distemper shots is required.

(D) *Unclaimed animals.* At the expiration of the times established in division (C) of this section, if the animal has not been reclaimed in accordance with the provisions of this section, the officer appointed to enforce this section may let any person claim the animal by complying with all provisions in this section, or the officer may sell the animal to the University of Minnesota, or cause the animal to be destroyed in a proper and humane manner and shall properly dispose of the remains thereof. Any money collected under this section shall be payable to the City Clerk-Treasurer.
Penalty, see § 95.99

§ 95.06 KENNELS.

Hamburg - General Regulations

by the same person or not and for whatever purpose kept, shall constitute a “kennel;” except that a fresh litter of pups may be kept for a period of three months before that keeping shall be deemed to be a “kennel.”

(B) *Kennel as a nuisance.* Because the keeping of three or more dogs on the same premises is subject to great abuse, causing discomfort to persons in the area by way of smell, noise, hazard, and general aesthetic depreciation, the keeping of three or more dogs on the premises is hereby declared to be a nuisance and no person shall keep or maintain a kennel within the city.

Penalty, see § 95.99

§ 95.07 NUISANCES.

(A) *Habitual barking.* It shall be unlawful for any person to keep or harbor a dog which habitually barks or cries. Habitual barking shall be defined as barking for repeated intervals of at least five minutes with less than one minute of interruption. The barking must also be audible off of the owner’s or caretaker’s premises.

(C) *Cleaning up litter.* The owner of any animal or person having the custody or control of any animal shall be responsible for cleaning up any feces of the animal and disposing of the feces in a sanitary manner whether on their own property, on the property of others or on public property.

(D) *Warrant required.* The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal.

(E) *Other.* Any animals kept contrary to this section are subject to impoundment as provided in § 95.05.

Penalty, see § 95.99

§ 95.08 SEIZURE OF ANIMALS.

(B) The officer reasonably believes that the animal meets either the barking dog criteria set out in § 95.07(A); the criteria for cruelty set out in § 95.13; or the criteria for an at large animal set out in § 95.01(E);

(C) The officer can demonstrate that there has been at least one previous complaint of a barking

Animals

dog; inhumane treatment of the animal; or that the animal was at large at this address on a prior date;

(D) The officer has made a reasonable attempt to contact the owner of the animal and the property to be entered and those attempts have either failed or have been ignored;

(E) The Animal Control Officer or police officer shall not enter the property of the owner of an animal described in this section unless the officer has first obtained the permission of the owner to do so or has obtained a warrant issued by a court of competent jurisdiction, as provided for in § 10.20, to search for and seize the animal. If the officer has the permission of the owner, a property manager, landlord, innkeeper, or other authorized person to enter the property or has obtained a pass key from a property manager, landlord, innkeeper, or other authorized person to have that key shall not be considered unauthorized entry, and a warrant to search for and seize the animal need not be obtained; and

(F) Written notice of the seizure is left in a conspicuous place if personal contact with the owner of the animal is not possible.

§ 95.09 ANIMALS PRESENTING A DANGER TO HEALTH AND SAFETY OF CITY.

If, in the reasonable belief of any person or the Animal Control Officer or police officer, an animal presents an immediate danger to the health and safety of any person, or the animal is threatening imminent harm to any person, or the animal is in the process of attacking any person, the person or officer may destroy the animal in a proper and humane manner whether or not the animal is on the property of its owner. Otherwise, the person or officer may apprehend the animal and deliver it to the pound for confinement under § 95.05. If the animal is destroyed, the owner or keeper of the animal destroyed shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examination. If the animal is found not to be a danger to the health and safety of the city, it may be released to the owner or keeper in accordance with § 95.05(C).

§ 95.10 DISEASED ANIMALS.

(A) *Running at large.* No person shall keep or allow to be kept on his or her premises, or on premises occupied by them, nor permit to run at large in the city, any animal which is diseased so as to be a danger to the health and safety of the city, even though the animal be properly licensed under this section, and a warrant to search for and seize the animal is not required.

(B) *Confinement.* Any animal reasonably suspected of being diseased and presenting a threat to the health and safety of the public, may be apprehended and confined in the pound by any person, the Animal Control Officer or a police officer. The officer shall have a qualified veterinarian examine the animal. If the animal is found to be diseased in a manner so as to be a danger to the health and safety of the city, the officer shall cause the animal to be painlessly killed and shall properly dispose of the remains. The owner or keeper of the animal killed under this section shall be liable to the city for the cost of maintaining and disposing of the animal, plus the costs of any veterinarian examinations.

(C) *Release.* If the animal, upon examination, is not found to be diseased the animal shall be released to the owner or keeper free of charge.

Penalty, see § 95.99

Hamburg - General Regulations

The records of the Animal Control or City Clerk-Treasurer's office shall be admissible for consideration by the Animal Control Officer without further foundation. After considering all evidence pertaining to the temperament of the animal, the City Council shall make an order as it deems proper. The City Council may order that the Animal Control Officer take the animal into custody for destruction, if the animal is not currently in custody. If the animal is ordered into custody for destruction, the owner shall immediately make the animal available to the Animal Control Officer.
